

Capt. Jake Cutter

To the members of The Cowboys,

After much thought and deliberation, I have decided to run for President of The Cowboys. I am a SASS Life Member and a SASS Regulator and was President of The Cowboys for 18 years.

During my tenure as President for the Coto Cowboys and The Cowboys and have always done my best to serve the members of The Cowboys to the best of my ability. I always considered it an honor and a privilege to serve as President and would be honored to hold that position again. As members of The Cowboys, you get to choose the direction this club is heading and you can effect the changes you want to see. I would be honored to serve the membership once again and become your voice on the board going forward.

Thank you for your consideration!

Capt. Jake Cutter SASS# 6948
